## Items of Interest

**New Club Postcard is Here** – The new club postcard is now available. Many thanks to Gregg Hammond for his work on the art work for the card. It is excellent. Thanks as well to Terry Christensen for working with Minuteman Printing to get it printed. Pick up a couple at the next meeting.

**New Document Projector Acquired** - As promised, a new document projector has been acquired by the club for speakers to use for programs. It can be connected to our recently acquired projector. Terry Christensen did the research and got a demo setup from the local rep. Hal Ticknor and Elaine Boots have checked it out with our projector and it works great.

**Antique Land Closing** – Another antique mall has closed. Antique Land which was at Plano Pkwy and Hwy 75 in Plano closed suddenly and without warning in early October. Even the dealers were caught off guard. They showed up and could not get in the building one day. Apparently the rent had not been paid to the building owners by the people running the mall for several months. Antique malls have been a great place to find postcards between shows, but they are disappearing at an alarming rate in our area. There are a few still to be found. I will have a list of some of them in the in the DFW area in the next newsletter. Let me know if you know of a good one!
